RESOLUTION 1 - ISSUE OF UP TO 50,000,000 SHARES TO FIREFLY INVESTMENTS 163 (PROPRIETARY) LIMITED

On 11 December 2009, the Company announced it had executed formal agreements with Firefly Investments 163 (Proprietary) Limited ("Firefly"), its Broad-Based Black Economic Empowerment partner ("BBBEE Agreements"), as part of CoAL's efforts to ensure compliance with South African legislative requirements for black empowered groups to hold at least a 26% participation in mining companies by 2014 and to pave the way for the Company's long term future in South Africa ("BEE Transaction").

The BBBEE Agreements, which were entered into by CoAL, Coal Investments Limited ("CIL") and Firefly, provide Firefly with the option to subscribe for a total of 50,000,000 Shares at an issue price of £0.60 each ("BBBEE Option") between 1 November 2010 and 1 November 2014. The BBBEE Option consists of two options, both of which may be exercised in whole or in part. The first option is in respect of 32,500,000 Shares ("First Option") and the second option is in respect of 17,500,000 Shares ("Second Option"). Firefly cannot exercise the BBBEE Option prior to 1 November 2010, except in certain limited circumstances such as a change in control of the Company. The number of Shares to be issued pursuant to the BBBEE Agreements will be adjusted if CoAL undertakes a bonus or pro rata issue of shares, as described in Annexure A.

In addition, the BBBEE Option is subject to certain regulatory approvals, including the approval of the Australian Foreign Investment Review Board, which has been granted. The 50,000,000 Shares to be issued on the exercise of the BBBEE Option represents approximately 9.53% of CoAL's current issued capital on a diluted basis.

As part of the suite of BBBEE Agreements, Firefly has also agreed to grant a call option to CIL to acquire the Second Option ("Call Option"). Within 5 days of the exercise of the Call Option, Firefly must transfer the Second Option to CIL or its nominee(s). If Firefly has exercised part of the Second Option into Shares prior to CIL exercising the Call Option, Firefly undertakes to take all steps necessary to transfer any Shares issued to it on the exercise of the Second Option to CIL or its nominee(s). If at any time Firefly does not comply with its obligations under the Call Option and CIL provides notice to Firefly and the Company of such non-compliance, CIL may either exercise the Second Option such that all Shares are issued to CIL or its nominee(s), or provide notice to the Company and Firefly requiring that all rights and obligations of Firefly under the Second Option are assigned and transferred to CIL.

Under the BBBEE Agreements, Firefly will have the right to nominate two persons to the Board, and has also undertaken to procure that the King

of the VhaVenda from the Limpopo province, His Majesty Khosi Khulu Toni Mphephu Ramabulana (the "King") holds a shareholding and beneficial interest in Firefly within a period of three months from satisfaction of the conditions precedent to the BBBEE Agreements. The King represents his constituents of the Mudimeli, Musekwa, Makushu-Musholombi and Tshivhula communities, relevant female empowerment and youth groups, as well as a special purpose vehicle to promote and develop entrepreneurs and other specific community groups in the Limpopo province.

To facilitate the BEE Transaction the Company's second largest shareholder, African Global Capital I, LP, an entity associated with Mvelaphanda Holdings (Proprietary) Limited, Palladino Holdings Limited and OZ Management LP, and its affiliate CIL, which currently hold in aggregate 15.02% of the issued capital of the Company, have entered into an agreement with Firefly under which, amongst other things, they will cede their voting rights over their Shares in the Company to Firefly.

Listing Rule 7.1 broadly provides, subject to certain exceptions, that shareholder approval is required for any issue of securities by a listed company where the securities proposed to be issued represent more than 15% of the Company's securities then on issue. Resolution 1 seeks shareholder approval to issue up to 50,000,000 Shares at an issue price of £0.60 each pursuant to the exercise of the BBBEE Option. As the BBBEE Agreements were entered into under CoAL's existing 15% placement capacity under Listing Rule 7.1, the effect of Resolution 1 is to refresh the Company's 15% placement capacity under Listing Rule 7.1. For the purpose of Listing Rule 7.3 the following information is provided:

1. the maximum number of Shares to be issued under Resolution 1 is 50,000,000;
2. subject to the conditions of the BBBEE Agreements being met, the Shares will be issued and allotted no later than 5 November 2014, as approved by ASX by way of ASX granting a waiver from Listing Rule 7.3.2 on 16 March 2010;
3. the Shares will be allotted progressively on exercise of the BBBEE Option;
4. the Shares will be issued at an issue price of £0.60 each;
5. the Shares to be issued will be ordinary fully paid shares and rank equally in all respects with the existing ordinary fully paid shares issued in the capital of the Company;
6. the Shares in respect of the First Option (being 32,500,000 Shares) will be issued to Firefly or its nominee(s). The Shares in respect of the Second Option (being 17,500,000 Shares) will be allotted to Firefly or its nominee(s) or CIL or its nominee(s) depending on whether CIL decides to exercise the Call Option as described above. The allottees will not be a related party of the Company; and
5. funds raised from the issue of the Shares will be used for working capital purposes.

Directors' Recommendation

The Board recommends shareholders vote in favour of Resolution 1.

RESOLUTION 2 - RATIFICATION OF ISSUE OF 350,000 SHARES

As previously announced, the Company issued 350,000 Shares at a deemed issue price of \$2.00 in part consideration for professional services rendered in relation to the Company's Mooiplaats Colliery. This issue of Shares was made without shareholder approval under the Company's 15% placement capacity under Listing Rule 7.1.

Listing Rule 7.4 permits the ratification of previous issues of securities made without prior shareholder approval, provided the issue did not breach the 15% threshold under Listing Rule 7.1. The effect of such ratification is to restore a company's maximum discretionary power to issue further shares up to 15% of the issued capital of the company without requiring shareholder approval.

Pursuant to Resolution 2, the Directors are seeking ratification under Listing Rule 7.4 of the issue of 350,000 Shares that was made on 17 February 2010 in order to restore the right of the Company to issue further Shares within the 15% limit during the next 12 months.

For the purpose of Listing Rule 7.5 the following information is provided:

1. a total of 350,000 Shares were issued;
2. the Shares were issued at a deemed issue price of \$2.00 each;
3. the Shares issued were ordinary fully paid shares and rank equally in all respects with the existing ordinary fully paid shares issued in the capital of the Company;
4. the Shares were issued to Gravitas Limited. The allottee is not a related party of the Company; and
5. the Shares were issued in part consideration for professional services rendered in relation to the Mooiplaats Coal Project. No funds were raised from the issue.

Directors' Recommendation

The Board recommends shareholders vote in favour of Resolution 2.

ANNEXURE A

Adjustment to number of Shares to be issued pursuant to Resolution 1 (please refer to page 1 of the Explanatory Statement)

Bonus Issues

1.1 If the Company makes a bonus issue of Shares or other securities pro rata to holders of Shares (other than an issue in lieu or in satisfaction of dividends or by way of dividend reinvestment) and not all of the BBBEE Option Shares have been allotted in respect of the BBBEE Option before the record date for determining entitlements to the bonus issue then the rights attaching to the BBBEE Option will be altered as follows:

1.1.1 the number of BBBEE Option Shares (S) is determined by the formula:

$$S = N + (N \times R)$$

1.1.2 the BBBEE Option Price is the greater of the par value (if any) of the Share and the sum (EP) determined by the formula:

$$EP = \frac{N \times OP}{N + (N \times R)}$$

(fractions are to be rounded up to the nearest penny)
where:

N = The Outstanding BBBEE Option Shares on the record date to determine Firefly's entitlements to the bonus issue.

R = The number of Shares (including fractions) offered under the bonus issue for each Share held.

OP = The BBBEE Option Price which applies on the record date to determine entitlements to the bonus issue.

Pro rata issue

1.2 If the Company makes an offer of Shares pro rata to all or substantially all holders of Shares (other than an issue in lieu or in satisfaction of dividends or by way of dividend reinvestment) for a subscription price and not all of the BBBEE Option Shares have been allotted in respect of the BBBEE Option before the record date for determining entitlements to the rights issue then the

BBBEE Option Price will be reduced according to the following formula:

$$O' = O - \frac{E [P - (S + D)]}{N + 1}$$

(fractions are to be rounded up to the nearest penny)

where:

O' = The new BBBEE Option Price.

O = The old BBBEE Option Price.

E = 1

P = The weighted average market price of fully paid Shares sold in the ordinary course of trading on ASX during the five trading days ending on the day before the ex rights or ex entitlements date.

S = The subscription price of new Shares issued under the pro rata issue.

D = Any dividends due but not yet paid on existing Shares which will not be payable in respect of new Shares issued under the pro rata issue.

N = The number of Shares with rights or entitlements that must be held to receive a right to one new Share.

The number of Option Shares will not change.

Reconstruction

1.3 If, at any time there is a reconstruction of the capital of the Company ("Reconstruction"), the BBBEE Option under the BBBEE Agreements, to the extent it has not been exercised, will be reconstructed in the manner specified below:

1.3.1 in a consolidation of capital, the number of BBBEE Option Shares must be consolidated in the same ratio as the Shares and the BBBEE Option Price must be amended in inverse proportion to that ratio;

1.3.2 in a sub-division of capital, the number of BBBEE Option Shares must be sub-divided in the same ratio as the Shares and the BBBEE Option Price must be amended in inverse proportion to that ratio;

1.3.3 in a return of capital or other distribution (whether in cash or in specie), the number of BBBEE Option Shares must remain the same, and the BBBEE Option Price must be reduced by the same amount as the amount returned or the amount of the distribution in relation to each ordinary security;

1.3.4 in a reduction of capital by cancellation of capital paid up on Shares that is lost or not represented by available assets where no Shares are cancelled, the number of BBBEE Option Shares and the BBBEE Option Price of the BBBEE Option must remain unaltered;

1.3.5 in a pro rata cancellation of Shares, the number of BBBEE Option Shares must be reduced in the same ratio as the Shares and the BBBEE Option Price of the Option must be amended in inverse proportion to that ratio; and

1.3.6 in any other case, the number of BBBEE Option Shares, or the BBBEE Option Price, or both, must be reorganised so that

Firefly does not receive a benefit that holders of Shares do not receive.

Nothing in sub-clause 1.3.6 prevents a rounding up of the number of BBBEE Option Shares to be received on exercise of the BBBEE Option if the rounding up is approved at the shareholders' meeting that approves the Reconstruction, and the terms of the BBBEE Option will be construed accordingly."
